

Message from the Owner:

At Your Rental & Party Center, we have strived for 29 years to provide the best service in the gorge to our valued customers. Our new web site is another means for us to proudly share our products and company information with you.

All The Right Tools – for a great project!

At Your Rental Center, we know that when you are planning a home improvement, repair or a move renting is the smart, fast and convenient way to get the tools and equipment you need.

That's why we maintain the largest stock of essentials for homeowners, contractors and people on the go in the gorge.

That's why we can provide you with instruction and advice on how to use each piece of equipment we rent.

All of us at Your Rental Center want your project to be successful. We know that when you are satisfied, you will come back to let us help you on the next big project!

Your Special Event Headquarters – for a great event!

At Your Party Center, we know that when you are planning a wedding, shower, office party or business reception, renting is the smart, fast and convenient way to get the equipment, supplies and trimmings you need.

That's why we maintain the largest stock of party equipment and supplies in the Columbia Gorge for people, organizations and hospitality businesses.

That's why we can provide you with expertise, help and the trimmings.

All of us at Your Party Center want your event to be successful. We know that when you are satisfied, you will come back to let us help you on your next special event!

We hope you will find our updated web site informative and useful. If you don't locate the information you need, please don't hesitate to call or e-mail us.

Sincerely,
